

# USER MANUAL

The one that adjusts to fit your body like a glove. HON chairs are designed to cradle your spine and follow your lead, with all the bells and whistles you need to stay on task and in style.

**Pneumatic Seat Height Adjustment** Moves the seat up and down to adapt to various body heights.

Synchronized TiltBack reclines at a 2.5 to 1 ratio to seat angle. Variable Lock.

Independent Back Angle Adjusts the angle of the back seperately from the seat to reduce pressure on the lower spine.

Seat Depth Adjustment Moves the seat cushion forward or back to adapt to upper leg length.

**Seat Glide Mechanism**Moves the seat cushion forward or back to adapt to upper leg length.

**360-Degree Swivel**Provides freedom of movement in any direction.

Center Tilt Rotates the seat from a point at the center of the chair to comfortably recline.

Synchro-Tilt Mechanism reclines the back at a higher ratio than the seat for proper back alignment.

**Tilt Tension** Controls the rate and ease of recline. Conveniently located on the right side.

**Tilt Lock** Tilt lock allows the user to lock out the tilt function.
