One year limited original factory warranty plus SSL will extend the warranty for an additional **two** years. A **three** year total warranty to the original consumer.

Amplifiers: 6 Years Total

One year limited original factory warranty plus SSL will extend the warranty for an additional **five** years. A **six** year total warranty to the original consumer.

Other Electronics not listed above and All Accessories:

One year limited original factory warranty.

Terms and Conditions: If you need warranty service within the first 30 days of receiving your product please contact the merchant on your Amazon order for service. After the initial 30 days please contact SSL for warranty service. The free extended warranty program is valid only on purchases made and shipped within the USA and covers parts and labor to repair the unit. This warranty cannot be combined with any other warranty program. The program is in effect for sales made on or after January 1, 2016. All conditions of the original warranty apply. See warranty card for warranty and service details.
