

WARRANTY INFORMATION

Dispenser: 3-year warranty

Stainless Steel Tank: 3-year warranty

Covers all replacement parts and labor to correct defects in material or workmanship in the dispenser system, excluding the replaceable filter cartridge, for the full warranty period from the date of installation in your home. If warranty service is required during the warranty period, contact an authorized InSinkErator service agent to replace or repair the unit in your home at no cost to you. If your dispenser is replaced rather than repaired, the warranty on the new unit shall be for the duration of the remaining portion of the original dispenser's warranty. *Note: Warranty is determined by unit serial number and/or date of installation. Purchase or installation receipt may be required to verify warranty status. When service is required, and for the location of your nearest factory authorized service center, call toll free 1-800-558-5700.*

The foregoing warranty does not apply to damage or inoperation resulting from accident, alteration, misuse, abuse, improper installation, installation not in accordance with these instructions or local electrical and/or plumbing codes. We do not assume any responsibility for consequential damage. Install using genuine InSinkErator® manufactured components only. Use of non InSinkErator components will void your warranty.

Some states do not allow limitations on how long an implied warranty lasts, or the exclusion or limitations of incidental or consequential damages, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
