

RV/Marine

Shower Flex Hose

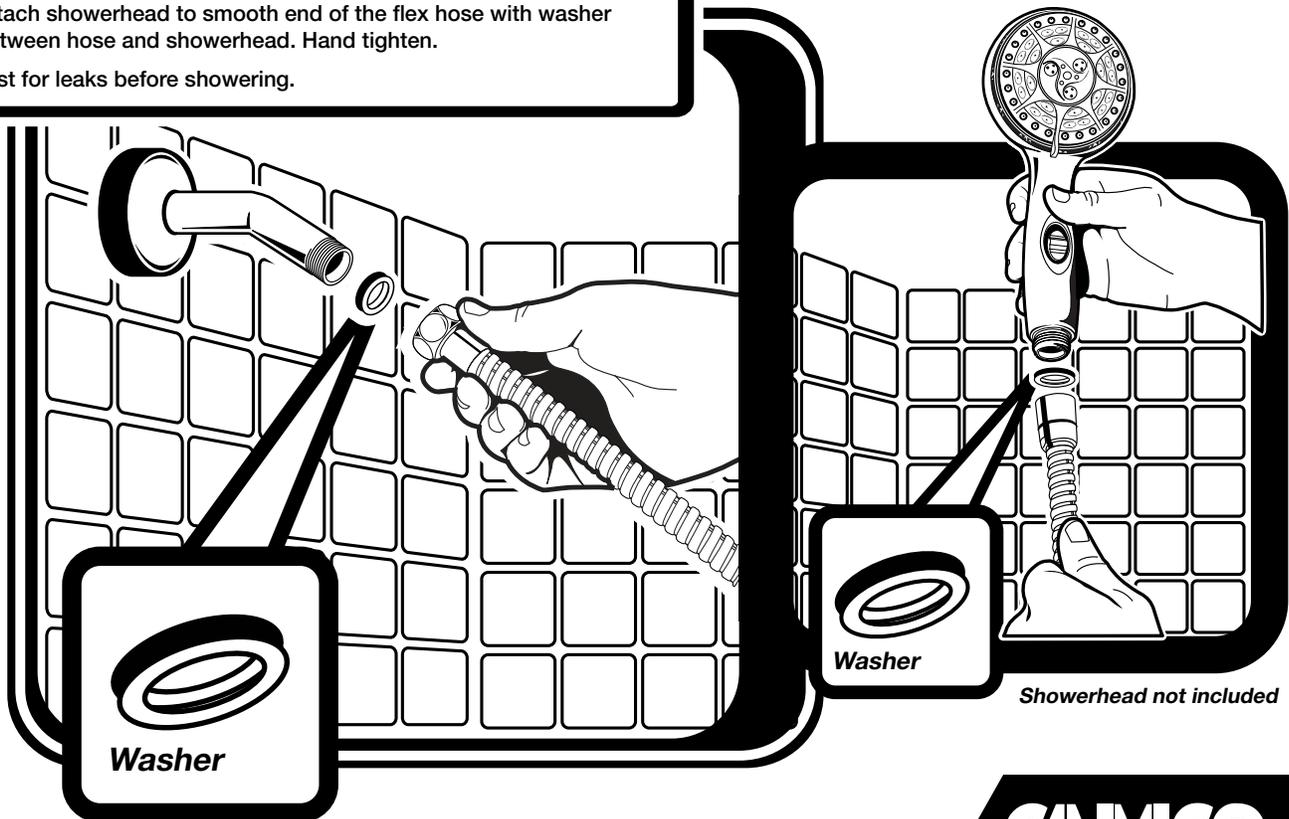

- 60" Flexible hose
- Easy to clean
- Lightweight
- Won't scratch tub or tile
- Quality guarantee

Shower flex hose features a reinforced construction that eliminates hose kinking. Flexible 60" replacement hose with built-in connectors for easy installation to a standard 1/2" shower arm. Washers included.

Bring all the comforts of home with you.

Easy to install...

- Remove existing showerhead and hose. Clean threads on shower arm and showerhead.
- Attach nut end of flex hose to shower arm with washer between hose and shower arm. Tighten securely.
- Attach showerhead to smooth end of the flex hose with washer between hose and showerhead. Hand tighten.
- Test for leaks before showering.
