

**1** Take out the tree of the box.  
(P.S. The top and bottom of the tree are tied together and you will need to separate them)

**3** Separate and fluff the branches and leaves to achieve the desired fullness.  
(P.S. Branches can be bent and leaves can be rotating)

**2** Remove the protective cover and assemble the trees together according to the arrows.

**4** Decorate any space with this beautiful olive tree.
