

HARDWARE

GARDEN COLLECTION HAZLETON MAILBOX POST ASSEMBLY INSTRUCTIONS

IMPORTANT! Check for underground services with your local authorities BEFORE installation of this product.

- 1) Dig a hole approximately 21 inches into the ground. Fill the hole with about 3 inches of gravel for water drainage.
- 2) Insert the base of the post into the hole and fill with concrete or packed stone dust. Using a hand level, ensure the post is plumb on all sides.

- 3) Insert the crossbar into the post allowing 4" to stick out the back. Fasten it to the post using one "A" Screw in the pre-drilled hole in the side of the post.

- 4) Attach the Brace and Mounting Board using four "B" screws.
- 5) Attach Decorative Cap and mount your favorite mailbox.
