

WARRANTY

Makita Lithium-Ion Tools

Every Makita® Lithium-Ion Industrial Power Tool is thoroughly inspected and tested before leaving the factory. If you are not satisfied with any Makita Lithium-Ion tool within 30 days of purchase, return it and Makita will provide, at Makita's option, a replacement or refund. Each Makita Lithium-Ion tool is warranted to be free of defects from workmanship and materials for the period of THREE YEARS from the date of original purchase. The Makita Lithium-Ion battery has a limited ONE YEAR warranty. Should any trouble develop during the three-year period for the Lithium-Ion tool and during the one year period for the Lithium-Ion battery, return the COMPLETE tool and or battery, freight prepaid, to one of Makita's Factory or Authorized Service Centers.

If inspection shows the trouble is caused by defective workmanship or material, Makita will repair (or at our option, replace) without charge. This warranty does not apply to Makita Accessories.

This warranty does not apply where:

- Repairs have been made or attempted by others
- Repairs are required because of normal wear and tear
- The tool has been abused, misused or improperly maintained
- Alterations have been made to the tool

In no event shall Makita be liable for (A) any indirect, incidental, punitive or consequential damages arising from the sale or use of the products sold hereunder, or (B) any amount in excess of the amount actually paid to Makita for the products sold hereunder for any liability arising from the sale or use of the products sold hereunder. This limitation applies both during and after the terms of the warranty.

Makita disclaims liability for any implied warranties, including implied warranties of "Merchantability" and "Fitness for a specific purpose," after the one-year term and three-year term for qualifying Lithium-Ion models of this warranty.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Some states do not allow limitation on how long an implied warranty lasts, so the above limitation may not apply to you.
