

Nokia C100

Step up to a smartphone

Key features

Step up to the world of smartphones with the Nokia C100. Simple to use, with a long-lasting battery and powered by the latest Android 12 – it's everything you need and nothing you don't.

It's not complicated

The Nokia C100 has all the modern features you need in a smartphone, without the high price tag. Simple, powerful and reliable – without overcomplicating it.

A battery to get you through the day

Make the most of your smartphone with a battery that lasts all day on a single charge.

Smooth operation

Pre-installed with the latest version of Android 12, and fully optimized, you'll enjoy a safer, more personal, and highly intuitive experience across the device.

Now everyone can be a photographer

Take great photos with the 8MP rear camera and let your selfies shine using the front-facing 5MP camera.
