

# Guarantee Terms

beyerdynamic GmbH & Co. KG, Theresienstrasse 8, 74072 Heilbronn, Germany (subsequently called: “beyerdynamic“) provides this limited guarantee for the original beyerdynamic product (subsequently called: “product“) purchased by you.

If you wish to make a guarantee claim for your product, take it to the retailer from which you purchased it or to an authorised beyerdynamic service partner. A list of all service partners worldwide can be found on the Internet [www.beyerdynamic.com/distributors](http://www.beyerdynamic.com/distributors). In accordance with the terms of this limited guarantee, beyerdynamic guarantees that this product at the time of initial purchase is free of material and manufacturing defects. This guarantee is valid for two (2) years from the date of purchase of brand-new, unused products by the original end user. As proof of purchase by all means please retain the sales receipt. The date of purchase and the name of the product have to be indicated on the sales receipt. Without this proof, which is checked by beyerdynamic or the relevant beyerdynamic service partner, no claims may be put forward with respect to beyerdynamic based on this limited guarantee; beyerdynamic and the beyerdynamic service partners reserve the right to charge a processing fee if this product in accordance with the guarantee terms fails to meet the guarantee criteria.

The guarantee undertaking consists at the option of beyerdynamic of the elimination free of charge of material and manufacturing defects through repair, exchange of parts or replacement of the entire product. If beyerdynamic repairs the product, exchanges parts or replaces the product, then the guarantee claim for the defect in question or the replaced product is valid for the remaining duration of the original guarantee period or for ninety (90) days from the date of repair, whichever period happens to be longer. The repair or replacement claims may be filled with functionally equivalent, reconditioned products. The replaced parts or components become the property of beyerdynamic. This guarantee claim is void if the product has been tampered with by unauthorised persons or workshops. This limited guarantee is valid worldwide in all countries in which in each respective case the national laws do not conflict with these guarantee terms. Other or broader claims than those set forth here may not be asserted on the basis of this limited guarantee. At the same time, however, you as an end user may in your country have legal claims which are not limited by this limited guarantee. The limited guarantee limits neither your legal rights nor the rights of consumer vis-à-vis the retailer which arise from the purchase contract.

Excluded from this limited guarantee are:
