

## WARRANTY

Waring warrants every new COMMERCIAL PRODUCT to be free from defects in material and workmanship for a period of one year from the date of purchase when used with foodstuffs, nonabrasive liquids (other than detergents) and nonabrasive semi-liquids, providing it has not been subject to loads in excess of the indicated rating.

Under this warranty, Waring will repair or replace any part, which, upon our examination, is defective in materials or workmanship provided the product is delivered prepaid to the Waring Service Center at 314 Ella T. Grasso Ave. Torrington, CT 06790, or any Factory Approved Service Center.

This warranty does not: a) apply to any product which has become worn, defective, damaged or broken due to use or due to repairs or servicing by other than the Waring Service Center or a Factory Approved Service Center or due to abuse, misuse, overloading or tampering; b) cover consequential damages of any kind.

The one year warranty is applicable only to appliances used in the United States and Canada. This supersedes all other express product warranty or guaranty statements. For Waring® products sold outside of the U.S. and Canada, the warranty is the responsibility of the local importer or distributor. This warranty may vary according to local regulations.

**WARNING:** This warranty is VOID if appliance is used on Direct Current (D.C.)
