

Naples Naturals 109 Alkaline Water Pitcher

In the Box

1. Pitcher Body
2. Upper Reservoir
3. Lid with digital countdown timer
4. 1089 Alkaline Filter Cartridge*

*Please note the 1089 Alkaline Filter Cartridge is located inside the Upper Reservoir for safe shipping

Assembly

1. Screw the 1089 Alkaline Filter Cartridge into the bottom of the Upper Reservoir, so it protrudes outward
2. Place the Upper reservoir into the Pitcher Body, with the 1089 Alkaline Filter Cartridge at the bottom
3. Snap the lid on top

Flushing the Filter

Before using the first time, the filter should be flushed three times to ensure clean water. After having assembled your Naples Naturals 109 Alkaline Water Pitcher, fill the upper reservoir with water. Allow the water to filter through to the lower reservoir, then empty that water. Repeat this a total of three times, and then your water will be clean and ready to drink.

Setting up the Countdown Timer

While you are letting the filter flush, set up the Digital Countdown Timer. Press and hold the 'START' button. When the number 60 appears on the screen, a timer for 60 days has begun, which is the average life of a Filter Cartridge. When that timer reaches 0, it is recommended that the filter be replaced. There are also 4 horizontal bars below the number 60, which indicate 100%, 75%, 50%, and 25% life remaining. As the timer counts down, one bar will disappear every 15 days.

Tips

1. If your filter seems to be moving too slowly, remove the Filter Cartridge and squeeze its sides gently a few times, shake it up and down quickly, then rap it on the counter a few times
2. Test your water's Alkalinity with a digital alkalinity meter (never with paper strips) as they are the most accurate
3. Naples Naturals improves water's flavor by ensuring it has the perfect balance of minerals in it. Depending on how many minerals are in your water to begin with, you may notice a drastic difference or only a slight difference in taste

Limited 60 Day Warranty

Naples Rolwing Inc. warrants this product to be free from defects in materials and workmanship for 60 days from the original purchase. If you experience defects, please call (888) 688-0858 or email support@naplesnaturals.com.

If Naples Rolwing Inc. determines that the item is defective in material or workmanship, Naples Rolwing Inc. will repair or replace it. The Customer is responsible for adequately packing and shipping the item to Naples Rolwing Inc. for service or replacement. Naples Rolwing Inc. will pay for shipping the replacement item if it determines that a replacement is appropriate.

The liability of Naples Rolwing Inc. is limited solely to the cost of the repair or replacement of the item at our option. This warranty does not cover normal wear and tear and does not apply to any item that has been tampered with or used for commercial purposes. This limited warranty does not cover damage caused by alteration, misuse, abuse, or mishandling.

Should Naples Rolwing Inc. determine the product is not defective or was improperly used or was used under abnormal or inappropriate conditions, Naples Rolwing Inc. will return the item to the Customer at the Customer's expense without repair or replacement. Naples Rolwing Inc. will dispose of the item if the Customer does not provide a prepaid return label within 30 days of notification of this determination.
