OTHERS

Press and hold for 2s: Power on / off

Press and hold for 4s in power-off status: Enter Bluetooth pairing

Press and hold for 4s in power-off status to enter pairing mode, then press all 3 buttons at the same time for 4s for factory reset

POWER & CHARGING

The Creative Outlier ONE V2 will remain powered on as long as it is connected to a device via Bluetooth. When not connected, the headset will auto-shutdown in 5 minutes.

When battery is low, the LED will blink red and a tone will play at 10-minute intervals. We have provided a micro USB cable for you to recharge the headphones. During charging, the LED light will remain solid red, and turn off when charging is completed. A full charge takes approximately 2–3 hours. Please remember to power off the headset before charging to avoid power drain during charging.

FINDING THE RIGHT FIT

Outlier ONE V2 comes with 3 ear tip sizes and 2 types of secure tips so you can customize according to your fit. Remember, sometimes even our left and right ears are not the same!

To ensure a proper fit for your new Outlier ONE V2, follow these simple steps:

Choose an ear tip size that fits snugly and blocks noise from the surroundings

Fit the secure tip onto the headphones and tuck them into your ears

Shake your head and jump about to test the fit. Change the sizes and repeat steps if necessary

PRODUCT CARE

For product longevity, we recommend you to wipe off any sweat on the headphones after workout, and ensure that the rubber cap is securely sealing the charging port so that it is protected from sweat or water.
