

# **BELKIN CONNECTED EQUIPMENT WARRANTY**

**Belkin International, Inc.** ("Belkin") warrants to the original purchaser of the below listed Belkin Wall or Car Chargers (the "Charger") for 3-years after initial purchase of the Belkin Charger that the Charger shall be free of defects in design, assembly, material, or workmanship, and will repair or replace, at its option, any defective Charger free of charge. Belkin's Connected Equipment Warranty covers equipment that is damaged by transient voltage (an "Occurrence") while properly connected to a Belkin Charger that is properly connected to a properly wired AC power line or a standard 12v DC power source such as the cigarette lighter of a passenger vehicle.

This is a Limited Warranty subject to the limitations and exclusions set forth herein.

Registration can be completed by completing the online registration form. Failure to complete the registration form does not diminish your warranty rights.

Registration Form: <https://www.belkin.com/us/register-product>

Belkin will spend, to repair or replace the damaged connected equipment, at Belkin's option, an amount equal to the fair market value of the damaged equipment or the original purchase price of the equipment, whichever is less, up to the maximum amount set forth in the product packaging.

Belkin reserves the right to review the damaged Belkin Charger, the damaged equipment or device, and the site where the damage occurred. All costs of shipping the Belkin Charger and the damaged equipment or device to Belkin for inspection shall be borne solely by the purchaser. Belkin reserves the right to negotiate the cost of repairs. If Belkin determines, in its sole discretion, that it is impractical to ship the damaged equipment to Belkin, Belkin may designate, in its sole discretion, an equipment repair facility to inspect and estimate the cost to repair such equipment. The cost, if any, of shipping the equipment to and from such repair facility and of such estimate shall be borne solely by the purchaser. Damaged equipment must remain available for inspection until the claim is finalized. Whenever claims are settled, Belkin reserves the right to be subrogated under any existing insurance policies the claimant may have.

All above warranties contained herein are null and void if: the Belkin Charger in use during the Occurrence is not provided to Belkin for inspection upon Belkin's request at the sole expense of the purchaser, Belkin determines that the Belkin Charger has been opened, improperly installed, altered in any way or tampered with, Belkin determines that the damage did not result from the Occurrence or that no Occurrence in fact took place, the repair or replacement of the damaged equipment is covered under a manufacturer's warranty, seller's extended warranty or Belkin determines that the connected equipment was not used under normal operating conditions or in accordance with any manufacturer's instructions for the connected devices. All Belkin Chargers must be plugged directly into a properly wired AC power line or standard 12v DC power source and must not be "daisy-chained" together in serial fashion with other power strips, UPSes, surge protectors, other charging products, three-to-two-prong adapters, or extension cords. Any such installation voids this warranty. The Belkin Connected Equipment Warranty only protects against damage to properly connected equipment where Belkin has determined, in its sole

discretion, that the damage resulted from an Occurrence, and does not protect against acts of God (other than lightning) such as flood, earthquake, war, vandalism, theft, normal-use wear and tear, erosion, depletion, obsolescence, abuse, damage due to low-voltage disturbances (i.e. brownouts or sags), non-authorized program, or system equipment modification or alteration. Do not use this product in anyway with a generator, heater, sump pump, water-related device, life support device, medical device, , motorcycle, marine vessel, commercial truck, aviation aircraft, or golf-cart battery charger. Belkin AC chargers are to be used indoors only and in dry areas only. Belkin DC chargers are to be used in dry areas only. All warranties contained herein are null and void if used in anyway with any of the aforementioned devices.

This is the sole warranty of Belkin in respect to connected equipment, lost data or other damages; there are no other warranties, express or implied, except as required by law. Implied warranties required by law include the implied warranty of condition of quality, merchantability and fitness for a particular purpose, and such implied warranties, if any, are limited in duration to the term of this warranty.

Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply.

In no event shall Belkin be liable for incidental, special, direct, indirect, and consequential or multiple damages such as, but not limited to, lost business or profits arising out of the sale or use of any Belkin Charger, even if advised of the possibility of such damages. This warranty gives you specific legal rights, and you may also have other rights, which may vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damage, so the above limitations may not apply to you.

This warranty is valid only for the original purchaser of the product. All damage claims against the product must be made within 15 days from the date of the Occurrence or the warranty is void.

Warranty is valid in USA and Canada only. Not valid, offered or available in any other country or territory, e.g., not valid in Mexico, Central America, South America, or the Caribbean countries. Visit [belkin.com/cew](http://belkin.com/cew) for details.

**To file a claim against Belkin, you must take the following steps:**

Use our self-service claim form at <http://www.belkin.com/us/support/returns>  
Call (800) 223-5546

All claims must be filed, within 15 days of the Occurrence or the warranty is null and void. Be prepared to provide the following information:

- a. The part number of the Belkin Charger.
- b. The equipment that was connected to the Belkin Charger at the time of the Occurrence.
- c. The equipment that was damaged during the Occurrence and the extent of the damage.
- d. The date of the Occurrence.

- e. Where you purchased the Belkin Charger.
- f. When you purchased the Belkin Charger.
- g. Copy of the original purchase receipt.

Your Belkin Customer Care Representative will then instruct you on how to forward your equipment, receipt, and Belkin Charger in use during the Occurrence, and how to proceed with your claim.

Please conveniently register your Belkin Charger online on our website at <http://www.belkin.com/us/register-product>

Manufacturers' warranties may not apply in all cases, depending on factors such as use of the product, where the product was purchased, or who you purchased the product from. Please review the warranty carefully, and contact the manufacturer if you have any questions.
