

Electro-Harmonix will repair this product if it fails to operate due to defects in materials or workmanship for a period of one year from date of purchase. In the event that it should ever become necessary to return your unit to the factory for repair, please ship the unit to us, securely packed, postage prepaid and insured, along with a copy of proof of purchase and with the appropriate handling charge as set forth on the instruction sheet for that unit. All other charges for parts and labor will be paid by Electro-Harmonix. This warranty does not cover batteries which must be replaced at customer's expense or any unit opened and/or modified by the consumer. In addition, it will expedite the repair if you would include a short note describing the problem as specifically as possible. We, in turn, will do our best to see that your Electro-Harmonix accessory is back in your act fast.
