

Description

Nutro Ultra Holistic Superfood Blend contains the perfect mix of premium lean proteins, antioxidant-rich fruits and vegetables, whole grains and healthy oils to help your dog be at his best. Combined protein sources from high-quality natural and holistic ingredients ensure optimal Amino Acid levels and great taste for your dog. Ultra Adult dog foods are made and tailored specifically for adult dogs, providing 100% complete and balanced nutrition for adult maintenance.

Key Benefits

- Three lean animal proteins from farm-raised chicken, pasture-fed lamb and salmon provide unique and complementary Amino Acids that work together to promote strong, lean muscles.
- Packed with antioxidants to help maintain a strong immune system, a healthy heart and sharp mind. Contains whole grains and natural oils that are essential in your dog's diet.
- Sunflower Oil is rich in Linoleic Acid to help your dog have a healthy skin and a shiny coat. Specially fortified with essential vitamins, minerals and taurine. Taurine provides added health benefits for dogs as a natural antioxidant as well as for healthy eyesight and hearing
- Made with absolutely no artificial colors, flavors or preservatives. This is a high quality product that is produced in the manufacturer's own facilities to ensure safety and quality.
- Nutro's dedicated team of experts tailor their formulas to your pet's life stage and health condition. They only use natural ingredients that they directly buy and can trace back to their suppliers.

Please note this item has recently undergone a packaging change. Customers may receive the old packaging during this transition.
