Exclusive Warranty for Purchase on New Das Keyboard Mechanical Keyboards

Das Keyboard now offers a 3-year warranty for purchase on all new mechanical keyboards bought from www.daskeyboard.com. This warranty covers defects in workmanship and materials, not wear or accidental damage.

If Das Keyboard inspects your mechanical keyboard and finds that it was defective in materials or workmanship, it will be repaired or replaced at no cost (excluding shipping of the product to Das Keyboard). Das Keyboard will either repair or replace with the same or similar mechanical keyboard.

You may not qualify for warranty replacement or repair if your mechanical keyboard is affected by accidental damage, misuse, improper care or alteration, animal attack or the natural breakdown of materials that may occur after extended use of the product. This warranty also excludes claims for incidental or consequential loss.

This warranty does not apply to refurbished keyboards and must be paired with a new keyboard purchase. It's also only valid for U.S. customers at this time.
