

## USAGE INSTRUCTIONS

### Step 1

Handle with dry hands only. The wrapper free tabs are designed to release their contents quickly in water.

### Step 2

Place one tab in the main detergent cup and close. It is important that both the tab and the detergent cup are dry.

### Step 3

Do not pierce, pull apart or attempt to unwrap the tabs.

### Step 4

Make sure all items are dishwasher safe & follow the manufacturer's instructions. Not recommended for use with true silver cutlery.

## Step 5

Always reseal pack after use. Store away from heat and moisture.

## Step 6

For best results in hard water, use FINISH JET DRY RINSE AID. FINISH DISHWASHER CLEANER LIQUID is safe for septic systems.
