

HOW TO APPLY

Simply follow these easy to use steps.

Step 1:

REMOVE

Remove 1 applicator from the pack

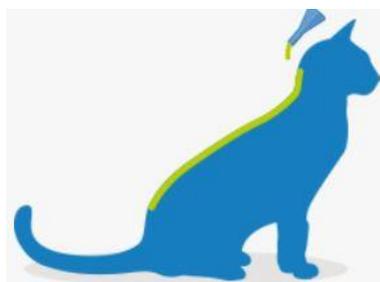

Step 2:

SNAP

Hold upright with foil side towards you and snap applicator tip

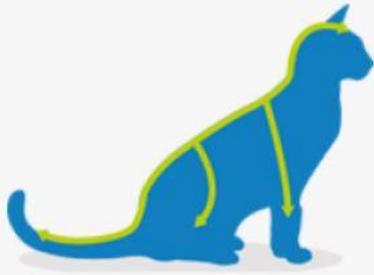

Step 3:

APPLY

Part your pet's fur at the base of their neck and apply to the skin

Step 4:

YOUR PET IS NOW TREATED

The treatment will naturally spread over their skin, however do not bathe your pet or let them swim for 2 days after application
