

MATERIAL SAFETY DATA SHEET

1. CHEMICAL PRODUCT AND COMPANY IDENTIFICATION

Product : SKIN1004 MADAGASCAR CENTELLA AMPOULE 30ML
Company : SR Biotek Inc.
Address : B101, B101-1, B101-2, B101-3ho(sangdaewondong, Sicox Tower)484, Dunchon-daero, Jungwon-gu, Seongnam-si, Gyeonggi-do, Korea
Tel. No. : +82 31 726 3134
Fax. No. : +82 31 733 2145
Date of preparation : 2022.08.03

2. COMPOSITION INFORMATION

[INGREDIENTS]

Centella Asiatica Extract

3. HAZARDS IDENTIFICATION

* Potential Health Effects

Eye: Direct contact may cause mild and temporary irritation. Some redness and/or stinging may occur.
Skin: May cause irritating, sensitizing, photoallergenic or phototoxic depending on the skin. Prolonged contact may cause temporary and mild irritation.
Inhalation: No data expected to cause respiratory irritation.
Overview for emergency situations: This product is a cosmetic product and does not cause an emergency when the user uses it safely for cosmetic purposes. however, additional information on toxicity can be provided upon request.

* Acute Effect

Eye Contacts : Direct contact may cause temporary redness and discomfort.
Skin Contacts : Depending on skin conditions, short-term exposure may cause slight irritation.
Oral : In case of ingestion of less than a small amount (teaspoon), there is no particular risk of injury.

* Prolonged/Repeated Exposure Effects

Skin Contacts : No known applicable information.
Oral : No known applicable information.

* Signs and Symptoms of Overexposure

No known applicable information.

* Medical Conditions Aggravated by Exposure

No known applicable information.

4. FIRST AID MEASURES

Eye : Thorough rinsing for 15-20 minutes of the affected eye with water is recommended. If discomfort or irritation persists, seek medical attention.

Skin : Discontinue using the product. Apply cold compresses to the affected areas to relieve any discomfort. If discomfort persists, seek medical attention.

Inhalation : Move to fresh air. Get medical attention immediately.

Oral : Accidental ingestion of product may require medical attention. In case of ingestion, rinse immediately with liquid (water or milk) and treat according to symptoms. However, it should not induce vomiting.

Note: After first aid, 1) if something abnormal occurs or if it is determined that additional measures are necessary, you should visit the emergency room of the hospital or consult with a family doctor. 2) Follow-up management of the accident should follow the doctor's instructions according to the symptoms.

5. FIRE FIGHTING MEASURES

Non flammable - not explosive.

6. ACCIDENTAL RELEASE MEASURES

Procedures for Leakage Clean-up:

For Household settings: Dilute spilled area with water. After that, completely absorb the remaining liquid in the area and wipe it off with detergent.

For Non Household Settings: Ventilate the leak area and remove elements that could cause a fire. If there is a risk factor, wear safety glasses and gloves and other protective clothing(apron, boots, etc.) to avoid skin contact.

7. HANDLING AND STORAGE

Precautions for safe handling:

For Household Settings: Do not expose to heat and flame.

For Non-Household settings: Avoid heat, sparks, or smoking during use. Avoid excessive heat and ignition sources.

Conditions for safe storage:

For Household settings: Avoid heat, sparks, or smoking. Avoid excessive heat and ignition sources. Store away from oxidizing agents.

For Non Household settings: Store away from oxidizing agents. Store in a cool, well-ventilated place. This product is a Class IIIA flammable liquid, and It must be stored safely according to the characteristics of the storage area.

Other recommendations: None

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

For Household settings : This product is a cosmetic product, and if the user uses it safely for cosmetic purposes, there is no need for separate guidelines of exposure controls and personal protection.

For Non-Household settings : Use in a well ventilated area. Wear safety glasses or gloves and other protective clothing(apron, boots, etc) in an area where hazard exists to prevent skin contact, and always observe good hygiene.

Avoid prolonged contact with skin and clothing. This is a cosmetic product, and no special measures are required when used correctly for cosmetic purposes.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	: Liquid
Odor	: Slight unique odor
Solubility	: Soluble in Water
Flash point	: Not applicable
pH	: 5.00~7.00

10. STABILITY AND REACTIVITY

Stable at room temperature and pressure conditions.

11. TOXICOLOGICAL INFORMATION

No Known published data available.

12. ECOLOGICAL INFORMATION

The product ingredients are expected to not have a detrimental effect on the environment if used normally or accidentally leaked. Packaging should follow separate waste or recycling classification guidelines. Additional information can be obtained upon request from the supplier, if needed.

13. DISPOSAL CONSIDERATIONS

In addition to the regulations on handling and storage, observe the necessary general matters. This product is not considered hazardous waste.

14. TRANSPORT INFORMATION

Finished packaged product transported by ground(DOT): Non hazardous
Finished packaged product transported by Vessel(IMDG): Non hazardous
Finished packaged product transported by air(IATA): Non hazardous

15. REGULATORY INFORMATION

This product is not classified as a hazardous substance and does not require special labeling.

16. OTHER INFORMATION

Prepared by the manufacturer, SR Biotek Inc.

All the indicated items were prepared from general product specifications, not special product specification.

Recommended industrial hygiene and safe handling specifications for this product are also considered to be within the scope of general application. Therefore, SR Biotek Inc. does not guarantee special specifications.

All users should carefully review each intended use, including the recommendations stated for it, and determine whether the product is suitable for them.

MATERIAL SAFETY DATA SHEET

SECTION 1. SUBSTANCE IDENTIFICATION

Product Name : SKIN1004 MADAGASCAR CENTELLA AMPOULE FOAM 20ML

Manufacturer

Hankook Cosmetics Manufacturing Co., Ltd.

74, Daeseong-ro 547Beon-gil, Samseong-myeon, Eumseong-gun, Chungcheongbuk-do,

TEL +82-2-6360-0663 FAX +82-2-6360-0683 <http://www.hkcosm.com>

Application : Apply to the face area and skin.

SECTION 2. HAZARDOUS IDENTIFICATION

Human Health Hazards : None known

SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Water, Sodium Cocoyl Isethionate, Glycerin, Sodium Methyl Cocoyl Taurate, Coco-Betaine, Centella Asiatica Extract, Potassium Cocoyl Glycinate, 1,2-Hexanediol, Potassium Cocoate, Potassium Benzoate, Polyquaternium-67, Citric Acid, Sodium Chloride, Butylene Glycol, Dextrin, Theobroma Cacao (Cocoa) Extract, Disodium EDTA, Sodium Acetate, Sodium Bicarbonate, Coptis Chinensis Root Extract, Sodium Hyaluronate, Coccinia Indica Fruit Extract, Eclipta Prostrata Extract

SECTION 4. FIRST AID MEASURES

Effect and Symptoms :

Ingestion : No adverse effects known

Inhalation : Unlikely

Eye contact : No adverse effects known

First Aid Measures :

Ingestion : Obtain medical attention

Inhalation : Remove from exposure to fresh air if symptomatic. Get medical attention if symptoms persist.

Eye Contact : Immediately irrigate thoroughly with water for at least 15 minutes. Remove contact lenses if easy to do.

Get medical attention if symptoms persist

SECTION 5. FIRE FIGHTING MEASURES

Extinguishing Media : Any appropriate method to put out ordinary fire.

Special Fire-fighting Procedures : Regular method to put out fire.

Hazardous Combustion Products : None

Unusual Fire and Explosion Hazards : None

SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal Protection : Not required

Environmental Protection : No special measures required

Methods for Cleaning : Collect the spill. Finish the rest with plenty of water

SECTION 7. HANDLING AND STORAGE

Handling : Use normal good handling procedures

Storage : Keep containers tightly closed, away from heat and light and store at a cool and dry place.

SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

General Measures : No special measures required

Individual Protection Media : No special media required

SECTION 9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance : Cream

Odor : Compare with the standard

Color : light brown (yellowish brown)

pH : 5.5±0.5

Specific Gravity : 1.065±0.02 (20°C)

Viscosity (cps) : 66,000±14,000 (By Brookfield Viscometer, RVT #E, 50rpm, 1 min, 25°C)

Flash Point : Not applicable.

Stability : RT, Incubator 25°C, 35°C, 45°C 6 weeks stable

Microorganism : Less than 500 cfu/g

Pathogen : 0 cfu/g

UN Class and UN Number : Not applicable

SECTION 10. STABILITY AND REACTIVITY

Stability : Stable at accelerated temperature

Conditions to Avoid : None expected of stored and handled properly

Materials to Avoid : None expected of stored and handled properly

Hazardous Decomposition Products : None

SECTION 11. TOXICOLOGICAL INFORMATION

Skin Irritation : Not an irritant

Eye Irritation : Not an irritant

Sensitization : Not a sensitizer

SECTION 12. ECOLOGICAL INFORMATION

No Informarion available

SECTION 13. DISPOSAL CONSIDERATIONS

Waste Destruction : Small quantities can be disposed with household garbage

large quantities must be disposed in approved sites

Packaging Destruction : Disposal must be made according to official regulation

SECTION 14. TRANSPORT CONSIDERATION

Road: Should follow the packaging standard

Rail: Should follow the packaging standard

Air : Should follow the packaging standard

Sea : Should follow the packaging standard

UN Class and UN number : Not Applicable.

Not a dangerous under DOT, IATA, ADR, IMDG, or RID

SECTION 15. REGULATORY INFORMATION

Covered by:

- US : This product is regulated under federal food, drug and cosmetic act. Exemption from OSHA'S Federal Hazard Communication Standard 29 CFR 1910.1200.
- Canada : This product is regulated under the Food and Drugs Act. Exemptions from WHMIS Labelling and Material Safety Data Sheet Requirements.
- EU : This product is regulated under Regulation (EC) No 1223/2009.
- ASEAN: This product is regulated under ASEAN Cosmetic directive and local law.
- Korea : This product is regulated under Korea cosmetic law or pharmaceutical affairs law.

Safety, health and environmental regulations/legislation specific for the substance or mixture :
None

Chemical Safety Assessment :

Chemical safety assessment has not been performed.

SECTION 16. OTHER INFORMATION
