

## Include:

---

Door gate with fastening material

## Highlights:

---

Easy to fix, with independantly adjustable screws.

Pressure Fix gate; Can be installed without the need for drilling holes in the wall

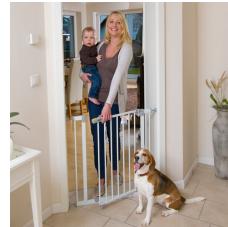

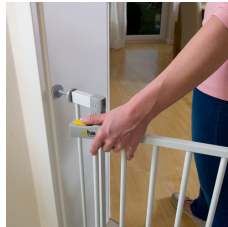

Opens to both sides, for easy access wherever you are coming from

Optional extensions to up enable the gate to fit spaces up to 123 cm

High-quality metal safety gate, ideal for keeping children or pets safe

## Productimages:

---

The safety gate Open'n Stop offers child-friendly safety at home.

The attachment is done in the twinkling of an eye. The metal gate is clamped by pressure mounting between walls or doorways. Drilling and screwing is not necessary.

The Open'n Stop Safety Gate is suitable for widths from 75 to 81 cm and has a two-fold manual locking mechanism. It can be opened with one hand and locks reliably in a childproof closure.

The Open'n Stop Safety Gate is SGS-certified and offers optimum safety.

Opening dimensions with extensions:

with extension: 9 cm = opening widths from 84 to 90 cm

with extension of 9 cm + 9 cm = opening widths from 93 to 99 cm

with extension of 21 cm = opening widths from 96 to 102 cm

with extensions of 21 cm + 21 cm = opening widths from 117 to 123 cm

with extensions: 9 cm + 21 cm = opening widths from 105 to 111 cm

Note:

This item is a self-adjusting gate. This means that the inclination of the side part is eliminated by tightening the locking screws in the frame. This way, a secure hold and a parallel fixation of the side parts in the region of the closing mechanism is enabled.

## Colorvariants

597026 White

## Equipment characteristics

|   |                             |   |
|---|-----------------------------|---|
|  | Pressure fixed              |  |
|  | Can be opened to both sides |  |
|  | 2 x extendable (optionally) |  |
|  | Wipeable                    |  |

## Measurements and weights

|   |                          |                |
|---|--------------------------|----------------|
|   | Measurements built-up    | 75 x 4 x 77 cm |
|  | Doorgate width min - max | 75 - 80 cm     |
