MATERIAL SAFETY DATA SHEET

1 PRODUCT AND COMPANY IDENTIFICATION

Product Name: CeraVe Renewing SA Cleanser

Synonyms: Not applicable

Molecular Form : Not applicable

Molecular weight: Not applicable Weight:

Supplier: Coria Laboratories Telephone:
 3909 Hulen Street I -866-819-
 Fort Worth, TX 9007
 76107

2 HAZARDS IDENTIFICATION

Emergency Overview

Low hazard for usual industrial or commercial handling by trained personnel.

Physical State: Solid cream

Color: White

Odor: None

Potential Health Effects

Inhalation: Expected to be low inhalation hazard.

Eye Contact: May cause irritation.

Skin Contact: May cause irritation. May cause allergic or sensitivity skin reaction.

Ingestion: Expected to be low ingestion hazard.

Chronic Health Effects: None known.

Target Organ(s): None known

OSHA Regulatory Status: Nonhazardous.

Document Title: MATERIAL SAFETY DATA SHEET		Name: HP-MSDS-00085

3 COMPOSITION / INFORMATION ON INGREDIENTS		
Chemical Name	CAS- No.	Concentration*
Proprietary Formulation	Proprietary	100%
4 FIRST AID MEASURES		

Inhalation: If symptomatic, move to fresh air. Get medical attention if symptoms persist.

Eye Contact: Any material that contacts the eye should be washed out immediately with water. If easy to do, remove contact lenses. Get medical attention if symptoms persist.

Skin Contact: Should skin irritation, allergic reaction, or rash occur, remove contaminated clothing if required, then physically remove as much of the product as possible. Wash affected area with soap and water, then thoroughly flush the area with water. If irritation persists, seek medical attention.

Ingestion: Seek medical advice.

5 FIRE-FIGHTING MEASURES

Extinguishing Media: Extinguish with water spray, carbon dioxide, dry chemical.

Unsuitable Extinguishing Media: Not applicable.

Special Fire Fighting Procedures: Wear self-contained breathing apparatus and protective clothing.

Unusual Fire & Explosion Hazards: None known.

Hazardous Combustion Products: Carbon monoxide, carbon dioxide.

6 ACCIDENTAL RELEASE MEASURES

Personal Precautions: Wear appropriate personal protective equipment.

Spill Cleanup Methods: Small liquid spill: Use a non-combustible material like vermiculite, earth or sand to soak up the product and place into container for later disposal.

HANDLING AND STORAGE

Handling: No special precautionary measures should be needed under anticipated conditions of use.

Storage: Keep container tightly closed and dry. Keep from freezing. Store at room temperature.

8 EXPOSURE CONTROLS / PERSONAL PROTECTION

For Industrial Exposures:

Engineering Controls: Good general ventilation (typically 10 air changes per hour) should be used. Ventilation rates should be matched to conditions. If applicable, use process enclosures, local exhaust ventilation, or other engineering controls to maintain airborne levels below recommended exposure limits. If exposure limits have not been established, maintain airborne levels to an acceptable level.

Respiratory Protection: If engineering controls do not maintain airborne concentrations below recommended exposure limits (where applicable) or to an acceptable level (in countries where exposure limits have not been established), an approved respirator must be worn. In the United States of America, if respirators are used, a program should be instituted to assure compliance with OSHA Standard 63 FR 1 152, January 8, 1998. Respirator type: Air-purifying respirator with an appropriate, government approved (where applicable), air-purifying filter, cartridge or canister. Contact health and safety professional or manufacturer for specific information.

Eye Protection: Wear safety glasses with side shields (or goggles).

Hand Protection: For operations where prolonged or repeated skin contact may occur, chemical-resistant gloves should be worn. Contact health and safety professional or manufacturer for specific information.

Skin Protection: It is good industrial hygiene practice to minimize skin contact.

Hygiene Measures: Eye bath and washing facilities.

9 PHYSICAL AND CHEMICAL PROPERTIES

Color: White

Odor: None

Odor Threshold: Not applicable

Physical State: Solid cream

pH: No data available

SHEET

Document Title: MATERIAL SAFETY DATA		Name.
Title: CeraVe Renewing SA Cleanser		Version: 1.0
Location: Fost Worth Company: Healthpoint, Ltd.		Effective Date: 03/14/2008 Div, Corporate Services
		Dept. Quality Assurance

Melting Point: No data available
Freezing Point: No data available

Boiling Point: No data available

Flash Point: Noncombustible

Evaporation Rate: No data available

Vapor Pressure: No data available

Vapor Density (Air=1): No data available

Specific Gravity: 0.92

Solubility in Water: Soluble

Partition Coefficient (n-octanol/water): No data available

Autoignition Temperature: Not data available

Decomposition Temperature: No data available

10 STABILITY AND REACTIVITY

Stability: Stable.

Conditions to Avoid: Avoid temperatures above room temperature.

Incompatible Materials: Strong oxidizing agents, strong alkalis, strong acids.

Hazardous Decomposition Products: None known.

Possibility of Hazardous Reactions: Hazardous polymerization will not occur.

11 TOXICOLOGICAL INFORMATION

Toxicity data for one or more components of this product are contained in individual material safety data sheets which are available upon request.

12 ECOLOGICAL INFORMATION

There are no data on the ecotoxicity of this product.

13 DISPOSAL CONSIDERATIONS

General Information: Dispose of waste and residues in accordance with local authority requirements.

Disposal Methods: No specific disposal method required.

Container: Since emptied containers retain product residue, follow label warnings even after container is emptied.

14	TRANSPORT INFORMATION
----	-----------------------

DOT: Not regulated.

TDG: Not regulated.

IATA: Not regulated.

IMDG: Not regulated.

15	REGULATORY INFORMATION
----	------------------------

Canadian Controlled Products Regulations: This product has been classified according to the hazard criteria of the Canadian Controlled Products Regulations, Section 33, and the MSDS contains all required information.

WHMIS Classification: Noncontrolled.

Inventory Status

One or more components are not listed on the following inventories: TSCA, DSL.

Drug Enforcement Act: None.

TSCA: None.

State Regulations

California Safe Drinking Water and Toxic Enforcement Act of 1986 (Proposition 65): None
