

5-year Limited Warranty – Professionally Installed Products:

If this unit fails because of defects in materials or workmanship within five years of the date of original installation by a professional contractor, LUX will, at its option, repair or replace it. If the date of installation cannot be established with reasonable certainty, the warranty shall extend for five years from the date of manufacture of the unit. This warranty does not cover damage by accident, misuse, or failure to follow installation instructions. Implied warranties are limited in duration to five years from the date of original purchase. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Please return malfunctioning or defective units to the professional contractor who installed the unit, along with proof of purchase. Please refer to Technical Assistance before returning thermostat. As the end user, you assume all risks and liability for incidental or consequential damage resulting from installation and use of this unit. Some states do not allow the exclusion of incidental or consequential damages, so the above exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
Applicable in the U.S.A. and Canada only.
