

## [Faq](#)

### **Q: What is the difference between MoroccanOil® Hydrating Shampoo and Conditioner and MoroccanOil Moisture Repair Shampoo and Conditioner?**

A: Moisture Repair Shampoo and Conditioner are a daily care formula designed to help repair weakened or damaged hair. They contain keratin to fortify the hair, promoting a healthier look and feel in addition to increased elasticity, moisture and manageability. Hydrating Shampoo and Conditioner are a daily care, moisture-balancing formula that can be used every day to promote healthy and more manageable hair. They are formulated with nutrients to protect and maintain hair's natural moisture balance.
