

Sink Suds™ is the safe and effective way to care for your clothing. It won't cause stretching or shrinking. It does not contain bleach, phosphates, or enzymes, which can be harsh on your clothes. Use on cotton, denim, linen, acrylic, nylon, spandex, rayon, silk, suede, and wool.

**DIRECTIONS:** Add packet to one sink full of water. Hand wash garments, rinse and wring out.

**CAUTION: KEEP OUT OF REACH OF CHILDREN,** Eye irritant. May be harmful if swallowed.

**FIRST AID-Eye Contact:** Immediately flush eyes with plenty of water, occasionally lifting the upper and lower eyelids. Check for and remove any contact lenses. Continue to rinse for at least 10 minutes. If irritation persists, get medical attention.

**SKIN CONTACT:** If a skin irritation or rash occurs, wash with plenty of soap and water. Remove contaminated clothes and shoes. Wash contaminated clothing before reuse. If skin irritation or rash persist continue to rinse for at least 10 minutes and get medical attention.

**INGESTION:** Wash out mouth with water. Remove dentures if any. Remove victim to fresh air and keep at rest in a position comfortable for breathing. If material has been swallowed and the exposed person is conscious, give small quantities of water to drink. Stop if the exposed person feels sick as vomiting may be dangerous. Do not induce vomiting.

**INGREDIENTS:** Water, Sodium Laureth Sulfate, Ethoxylated Alkyl Alcohols, Sodium Alkyl Sulfonate, Sodium Chloride, Borax, Aliphatic Acid, Protease, Triethanolamine, Builder, Fragrance, Preservative
