

# WOBBLE WAG Giggle®

## INSTRUCTIONS

### INTRODUCTION

Your dog will love the Wobble Wag Giggle® Ball. The secret is the 3 tubes inside the ball that let out sounds when rolled around or shaken. The 6 clutch pockets in the ball allows your dog to pick it up. Best of all, the ball requires no batteries.

Make sure you read all instructions and warnings on this sheet prior to using your ball. Keep this instruction sheet for future reference.

### IMPORTANT SAFETY INSTRUCTIONS

- For PET USE ONLY.
- This item is NOT A CHILDREN'S TOY. Keep away from children to avoid injury.
- Use this product only for the purpose described in these instructions.
- This product does not contain user serviceable components. Do not take apart.
- Discard toy if any part becomes loose, damaged, detached or shows excessive wear.
- As with any pet toy, you should supervise your dog while playing.
- **This ball is designed for play and is NOT a chew toy. NO part of this toy should be ingested as regurgitation or intestinal problems such as blockage could result.**

**Note:** If you believe your dog ingested a portion of this toy, immediately take the toy away and contact your veterinarian for advice.

### PLAYING WITH THE WOBBLE WAG GIGGLE® BALL

Just a nudge from their nose and off it goes!

As the ball wobbles, it makes engaging "play with me" sounds.

The sounds engage your dog's natural curiosity and instincts to play.

### TIPS FOR PLAYING WITH YOUR DOG

- Shake the ball and act excited to show your dog the noises it makes. This will encourage them to play with the ball to hear the noises.
- Each time your dog gets the ball to make a noise, say things like "Good boy!"
- Sometimes you may want to reward play with treats.
- The Wobble Wag Giggle® ball will soon become your dog's favorite toy!

### CLEANING THE BALL

Rinse and clean with warm water. Do not submerge in water. Let the ball dry completely before next use.
