Alexa-enabled	

Amazon's Alexa voice service:	You can talk to Amazon Alexa on your Garmin Speak. Alexa lives in the cloud, so it's always getting smarter, adding new capabilities that are delivered to your device automatically.
Music:	Connect with a wide array of free- and subscription-based music services. Ask Alexa for music by artist, title or genre (Spotify not supported at this time).
News and Infotainment:	Listen to news, audiobooks, podcasts and more
Time management:	Place orders for home delivery, shop Amazon, etc
Smart home:	Remotely control smart home devices
Access to Alexa skills:	Customize features and explore thousands of skills in the Alexa app or the Alexa Skills Store. Some skills require linking to your Amazon account.
Garmin Navigation	
Turn-by-turn GPS navigation:	yes. Enable the Garmin Speak skill for free, exclusive Garmin navigation. Just say, "Alexa, ask Garmin..."
Automatic map updates:	yes
Connected navigation (Cloud-based navigation):	yes
Spoken turn-by-turn directions:	yes
Lane guidance:	yes
Hands-free calling:	Accept/decline incoming calls
Saved places (home, work, school):	yes
Connectivity
