INSTALLATION

iOttie

ⓘ Please Note: Use the Air Vent Mount with caution when it's mounted on the vent blade. If you try to adjust the angle once the knob is fully tightened, it may damage the vent blade. iOttie is not liable for possible damages due to product misuse.

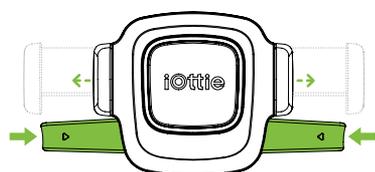

1 - Press vent mount & cradle together, tighten Cradle Knob

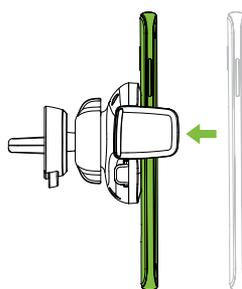

2 - Press the Lock & Release button to attach to vent

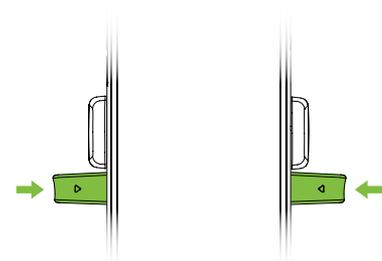

MOUNTING YOUR DEVICE

3 - Press Release Bars to open Locking Side Arms

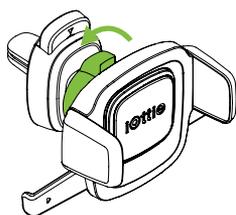

4 - Put smartphone against the Easy One Touch Trigger Button, arms will automatically close against the device

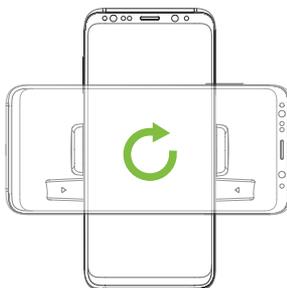

5 - Remove smartphone from mount by pressing Release Bars

ⓘ Be sure to hold the bottom of your smartphone with your hand before releasing

ADJUSTING VIEWING ANGLE

6 - Loosen Cradle Knob

7 - Rotate Cradle into Landscape mode. Tighten to lock in desired position.
