

Warranty Info

Unless otherwise stated, all products are warranted by the respective manufacturer to be free of defects in material or workmanship, under normal use and operation. Defective parts, subject to the inspection of the Manufacturer, will be replaced or repaired during the warranty period on a no charge basis. Improper operation due to low voltage conditions, inadequate wiring, accidental damage, or improper use, is the responsibility of the Buyer. All shipping costs related to returning the product to the Manufacturer for inspection will be prepaid by the buyer. Shipping non-defective parts back to the Buyer will be paid by the Buyer. All expenses, content loss of food (or other) due to spoilage, losses in revenue, and labor charges arising or originating from the failure of defective parts will be borne by the Buyer.
