

Networking Warranty Policy

A Limited Warranty is offered on Asus Networking products. This Limited Warranty does not cover any software applications or programs; non-Asus products or non-Asus branded peripherals.

Asus guarantees that the Asus Networking products that you have purchased are free from defects in materials or workmanship under normal use during the Limited Warranty Period. The Limited Warranty Period starts from the date of purchase. Your sales receipt, showing the date of purchase, is the proof of your purchase date. You may be required by your Purchase Site or Asus Authorized service Providers to present the proof of purchase as a condition of receiving warranty service. You are entitled to a hardware warranty service if a repair is required within the Limited Warranty Period.

During the Limited Warranty Period, Asus will, at its sole discretion, repair or replace any defective component. All spare-parts or module removed under this Limited Warranty become the property of Asus.

Exclusions from this Limited Warranty Service
