RE: Letter of Guarantee

To Whom It May Concern:

Norax Supplements, of 655 Tenth St Cedartown, GA. USA is an NSF Dietary Supplement GMP Registered facility. Norax Supplements produces products for Function Nutrition LLC and are conducted under rigid quality control procedures and strict cGMP & FDA regulations. The policy and procedures at Norax Supplements are to always follow and be guided by the Dietary Supplement Health and Education Act of 1994(DSHEA) which requires all manufacturers to follow Good Manufacturing Practices outlined in FSMA and cGMP (21 CFR part 111), (21 CFR 117), FD&C Act (Section 402f) and NSF's GMP Registration policies and section 8 of NSF/ANSI 173 to ensure a product is correct. This includes employee hygiene program, sanitation program, food safety program, allergen program, HACCP, HARPC, and SOPs.

We assert that the concentration of active ingredients as stated on the MMR are safe for consumption. Each product undergoes a manufacturer test consisting of HPLC, FTIR, FTNIR and microbial.

The following Dietary Supplement product(s) are manufactured under these guidelines
- MYO 120ct capsules (MI58972) Exp Date: 2/28/24

A handwritten signature in black ink, appearing to read "Aaron Choi", is written over a horizontal line.

Aaron Choi, BS MHA
