

Access Lighting Limited Warranty

Access Lighting Corporation's products are warranted for defective material and workmanship for one full year from date of purchase, with the exceptions of the following categories.

- Marine Grade finishes marked as MG are warranted for two (2) years for use in areas close to and not directly in contact with high saline conditions.
- LED fixtures are warranted for three (3) years or 35,000 hours whichever comes first, based on normal operating conditions and usage not to exceed 7hrs per day. Consistent use of more than 7hrs per day will render this warranty void.
- Energy Star fixtures are warranted for two (2) years with the exception of lamps.

Replacement or repair for an alleged warranted defective fixture, the purchaser is required to return the allegedly defective fixture or parts to an authorized Access Lighting Dist. Together with proof of purchase, name and address of original purchaser and description of the alleged defect.

If the product is found to be defective and at the sole discretion of Access Lighting the fixture will be either repaired, replaced freight pre-paid by Access Lighting within the contiguous USA. The warranty does not cover labor, material, chargebacks or any additional costs that may occur for the removal and installation of the fixture or replacement parts.

This warranty does not apply to products that have been incorrectly installed, misused, including improper maintenance, incorrect lamping or fluctuations directly relating to supply voltage. Failure to follow the installation instructions and location and use of the fixture including the use of harsh chemical cleaners will void the warranty.

Lamps supplied with fixtures other than LED engines are not warranted unless otherwise stated.
