Getting to know the Belkin PivotPlug 12-Outlet Surge Protector, 8 ft. Cord, BP112230-08

The **Belkin PivotPlug 12-Outlet Surge Protector, 8 ft. Cord, BP112230-08** provides powerful protection for your workstations, printers, broadband modems and home theater systems. It has 4320 Joule energy rating that gives protection to all your sensitive electronic devices. The Belkin BP112230-08 has extra room for large AC adapters. It features **eight (8)** rotating and **four (4)** stationary surge protected outlets for convenience and flexibility.

The surge protector's coaxial protection safeguards cable and satellite connections for clear picture and sounds while its phone line protection ensures open and continuous connections. Also, its cord management lifts and locks to keep cables neat and tangle-free.

Product Features

- 8-ft. heavy duty power cord
- 1-in, 2-out RJJ telephone / fax protection
- Essential power filtration
- Oversized Metal Oxide Varistors (MOVs)
- Damage-resistant housing
- Protected and Grounded indicator lights

Package Includes

- Belkin 12-Outlet PivotPlug Surge Protector with 8-ft. power cord
- Cord management clip

Getting to know the Belkin SurgePlus USB Swivel Charger (10 Watts, Combined), BST300bg

The **Belkin SurgePlus USB Swivel Charger (10 Watts, Combined), BST300bg** is a portable surge protector rated at 918 Joules to keep your devices charged and protected from power spikes when travelling. You can plug it into any power outlet to have **three (3)** additional AC outlets and **two (2)** USB ports for charging your tablets, smart phones and other mobile devices.

NOTE: The USB ports are intended solely for charging devices and cannot be used as a USB hub or to transmit data.

Product Features

- 918 Joule energy rating provides superior power protection for all your sensitive mobile devices
- Wall-mountable for extra outlets without extra cords
- 360-degree rotating plug with four (4) locking positions
- Compact, lightweight design
- two (2) powered USB Ports (2.1 Amps combined)
- Surge Protection Indicator lets you know your equipment is secure and protected
- Oversized Metal Oxide Varistors (MOVs) absorb excess electricity for increased protection
- Damage-Resistant Housing protects circuits from fire, impact or rust, and prevents dents and scratches
- Lifetime Product Warranty
- \$75,000 Connected Equipment Warranty

Product Specifications

Powered USB Output	5V/2.1A Combined
Response Time	<1 nanosecond
UL Clamping Voltage	UL1449 1.2 kV
Total Number of Outlets	5 (3 AC, 2 USB)
MOV: H-G	12,000 A
MOV: H-N	12,000 A
AC Plug Style	Wall Mount
MOV: N-G	12,000 A
Clamping Voltage	UL1449 1.2 kV
Joule Rating	918 J
Maximum Spike Current	36,000 A
Emi/RFI Noise Filtration	150 kHz ~ 100 MHz up to 43 dB reduction
Surge Indicator	Yes (green)

Package Inclusion

- Belkin SurgePlus 3-Outlet Mini Surge Protector with Dual USB Ports

Hardware Warranty

- Limited Lifetime Product Warranty

Belkin SurgePlus USB Swivel Charger (10 Watts, Combined), BST300bg Frequently Asked Questions

1. What is the Belkin SurgePlus USB Swivel Charger (10 Watts, Combined), BST300bg?

The **Belkin SurgePlus USB Swivel Charger (10 Watts, Combined), BST300bg** is a portable surge protector rated at 918 Joules with **three (3)** grounded outlets to keep your devices charged and protected from power spikes when you're travelling.

2. How many devices can I connect to the Belkin BST300bg?

The Belkin BST300bg has **three (3)** power outlets and **two (2)** USB ports for charging your tablets, smart phones, and other mobile devices.
