

Work Table Assembly Instructions

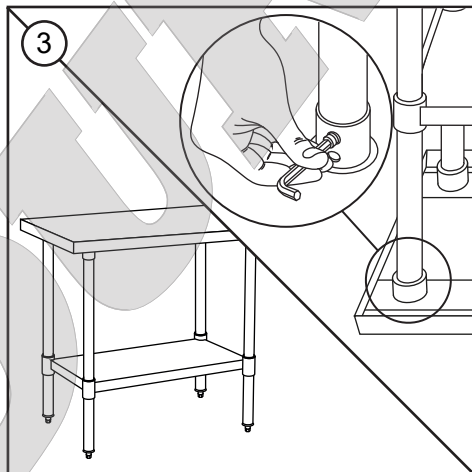

Unpack and check to make sure all contents are complete.
 Please follow the steps and instructions below.

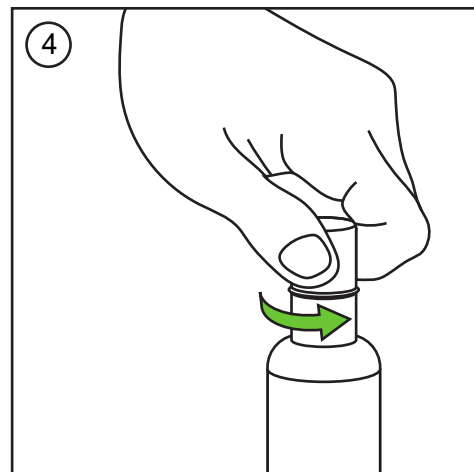

1. Assemble undershelf and legs
 Marking the position on the legs by tape for the height of the undershelf (Recommend at least 8" above the floor). Slide legs into the socket of undershelf, then, fasten the Allen screws.

2. Insert legs to leg sockets
 Place carton underneath tabletop for padding to avoid scratching. Please insert the legs into leg sockets.

3. Fasten legs to leg sockets
 Using Allen wrench and screws to fasten legs to leg sockets. Then, turn the whole unit upside, and it is ready to use!

4. Adjust Plastic Feet
 All four legs can be adjusted for surfaces that aren't completely level. Rotate the plastic foot pad to compensate for differences in floor surface.

Warning

In order to uphold the longevity of the DuraSteel stainless steel worktable. It should be wiped down after every use and periodically cleaned with a non-abrasive mild detergent. Please refer to our Stainless Steel Care and Cleaning Instructions.
