

SiliconDust Warranty

Silicondust USA, Inc. warrants all HDHomeRun™ products to be free from defects in materials and workmanship for 1 year from the date of shipment and agrees to repair or replace any assembly that fails due to defective components or faulty workmanship free of charge during the warranty period. Non-working assemblies must be returned to Silicondust USA, Inc. freight prepaid. Freight charges for in-warranty repair units sent to the Customer will be paid by Silicondust USA, Inc. with shipments made via UPS/FedEx Ground service. The warranty is void for assemblies that, in our opinion, have been subjected to abuse or misuse. Units or assemblies that are out of warranty will be repaired at a flat rate per unit, plus the cost of any significant components that are required to restore the unit to its original condition. Return freight charges for out-of-warranty units will be paid by Silicondust USA, Inc. and shipped via UPS/FedEx Ground service. Silicondust USA, Inc. makes no other warranties either expressed or implied, including limitation warranties as to merchantability or fitness for a particular purpose. Additionally, there are no allowances or credits available for service work or installation performed in the field by the end user.
