Door Weatherseal Replacement

For best results, ensure door jamb is clean and free of dust, grime or grease.

Installation: Remove old weatherstrip from door frame. Measure length of door jamb to be replaced. Cut weatherstrip to desired length. Install weatherstrip by pressing the tail end firmly into the slot in the door jamb. Close door to ensure proper seal.

Reemplazo de burlete para puertas

Para mejor resultado, asegúrese que la jamba esté limpia y libre de polvo, sucio o grasa.

Instalación: Quite el burlete viejo del marco de la puerta. Mida el largo de la jamba a ser reemplazada. Corte el burlete al largo adecuado. Instale el burlete presionando el extremo firmemente en la ranura de la jamba. Cierre la puerta para asegurar un sellado adecuado.

* Guarantee: If this product loses its weathersealing ability under normal use within your lifetime, Frost King will replace it or refund the price to the original purchaser upon proof of purchase.

* Garantía: Si este producto pierde la capacidad de proteger contra mal tiempo durante su vida, Frost King le reemplazará o devolverá el precio al comprador original con prueba de compra.
