COURT LAYOUT & GAME INSTRUCTIONS

Rules:

Each player takes all 3 of their color bean bags. Players choose ahead of time whether they will play a set number of rounds or to a certain amount of points. Players will alternate throwing their bags from behind a line of their choosing until all 6 bags have been thrown. At the end of each round, players add up their points based on the baskets their bags landed in and retrieve their bags to play another round. The player who reaches the agreed upon points value first or who has the most points at the end of the set number of rounds is the winner.

YOU ARE NOW READY TO PLAY!
