Product description

Ideally equipped to handle virtually any task: Very well equipped basic set in a robust case for all wood, masonry and metal jobs. Comes with drill bits, screwdriver bits, nutsetters, nutsetter adapter and roller meter.

Key product features

- The metal drill bits with titanium nitride coating excel through their long lifetime and high strength, allowing fast, clean drilling in the most diverse of metals, plexiglass and hard plastics (not suitable for use in aluminium).
- Durable, carbide-tipped masonry drill bits.
- Standard wood drill bits and titanium-nitride-coated spade bits for increased cutting speeds and drilling clean, precise holes in wood.
- Screwdriver bits for all standard screw head types and nutsetter for key-headed screws.
- Robust plastic case with clearly arranged content layout; can also be refilled if necessary.
- Suitable for all power tool brands.
- When drilling metal, the use of coolant is recommended, e.g. Bosch universal cutting oil 2 607 001 409.
- Note on safety: Please wear appropriate protective clothing based on the application: Metal drilling: Protective glasses Wood drilling: Protective glasses and dust mask Stone drilling: Protective glasses, dust mask, hearing protection and work gloves
