EA-430D Green

Product Name	EA-430D Green
Replaces	EA-430
Street Price	\$79.95
Certifications/Safety	UL, cUL, CB, TÜV, CE, FCC, CCC, BSMI, C-Tick
Product Warranty	3 years
Unit Dimensions	3.4"(H) x 5.9"(W) x 5.5"(D) 86mm (H) x 150mm (W) x 140mm (D)
Unit UPC	0761345-27434-0
Packaging Type	Retail Box
Packaging Dimensions	8.3" (H) x 9.0" (W) x 4.5" (D) 210mm (H) x 230mm (W) x 110mm (D)
Net Weight	3.6 lb / 1.6 kg
Gross Weight (packaged)	4.3 lb / 2.0 kg

### 25-CHARACTER DESCRIPTION:

Energy-efficient PSU

### 50-WORD DESCRIPTION:

Get the power you need and the low electric bill you want with Antec's EA-430D Green! One of the most environmentally friendly power supplies on the planet, the EA-430D Green delivers 430 watts of reliable, Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency.

### 100-WORD DESCRIPTION:

Get the power you need and the low electric bill you want with Antec's EA-430D Green! One of the most environmentally friendly power supplies on the planet, the EA-430D Green delivers 430 watts of reliable, Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency. Plus, the EA-430D Green boasts Universal Input and a quiet 80mm fan to keep everything cool. "Go green" with Antec's EA-430D Green: an efficient, cost-effective power supply solution that lets you power your equipment, save money and protect the environment.

### 150-WORD DESCRIPTION:

Get the power you need and the low electric bill you want with Antec's EA-430D Green! Antec introduces one of the most environmentally friendly power supplies on the planet, the EA-430D Green, which delivers 430 watts of reliable, Continuous Power while meeting the Bronze level of performance from 80 PLUS®, the most widely recognized independent standard in power supply efficiency. Two +12V output circuits provide added system stability, and industrial-grade protection circuitry prevents damage resulting from short circuits, power overloads, over voltage and other electrical dangers. Plus, the EA-430D Green boasts Universal Input to automatically connect with any power grid in the world and a quiet 80mm fan to keep your system running cool. "Go green" with Antec's EA-430D Green: an efficient, cost-effective power supply solution that lets you power your equipment, save money and protect the environment.
