## Suggestions for using straps:

Preferred cross tying method, more firm

♥ The shoulder straps of the Qutool lumbar support pillow have been upgraded so that they are more durable and last longer. Fits chair backs up to 33" (83cm) wide, So it can fit most chairs.

## Please Read Before Use:

### Heat Responsive:

Temperature sensitivity is one of the most unique characteristics of memory foam. Normally, cushions become harder in low temperatures, cushion softness will be adjusted by user or environment temperature, give the pillow a few days to adjust to your body, thus it can give good support and perfects posture well.

### Extra Comfort:

Memory foam delivers ultimate comfort by providing the support you need while reducing pressure-the perfect blend of support and pressure relief.

### Air out before use:

Memory foam products often have a slight odor. This is natural and harmless. Please let it ventilate for at least 24 hours.
