

DYLON®

Experts in Colour

From all colours bright & beautiful to rich & intense shades, with DYLON you have all the colours of the rainbow to choose from.

If you feel like a change, you can wake up your wardrobe with ease, reviving a favorite top or pair of jeans. Or brighten your home, by updating the colour of your cushion covers or towels. A whole spectrum of colourful possibilities await you.

ALL-IN-1 MACHINE DYE

- To change colour for fashion & home e.g. tops, towels & bed linen

DIRECTIONS

1. Place damp fabric in washing machine.
2. Remove the sleeve on the pod, peel off the lid and place the pod on top of the fabric
3. Run a full cycle at 30°C or 40°C
4. Once finished add detergent to the drum and wash again at 30°C or 40°C
5. Please follow the full instructions in each pack

FABRIC AMOUNT

One pod will dye 600g of fabric to the full shade or up to 1.8kg for lighter shades
Use multiple packs for more fabric

COLOURS

Turn over for the full spectrum of colours in the Dylon fabric dye range
