10 YEAR GUARANTEE

### Important Safety, Use and Care Instructions

Thank you for choosing our bakeware. These instructions are for your general safety, use and care to avoid injury and damage to your bakeware. Please read this information before first use and retain it for future reference.

#### Cleaning

- Remove any packaging. Before first use and after each use, wash thoroughly with mild washing up detergent and warm water. Dry thoroughly before storage.
- Do not use scourers or abrasive cleaners to clean bakeware.
- Bakeware is dishwasher safe. However, hand washing is recommended.

#### Baking

- Always use caution and an oven glove when handling hot bakeware.
- This bakeware is oven safe to: Black int 220°C/425°F/ Gas mark 7, or Gold int. 230°C/450°F/Gas mark 8.
- This bakeware is suitable for use in refrigerator and freezer. Always ensure that the chilled/frozen bakeware is placed into a cold oven allowing the bakeware and oven to heat together. Food should be thoroughly heated before serving.
- Not suitable for use over direct heat or under grills.
- Do not use bakeware in the microwave.
- Do not use metal or sharp-edged utensils on this product, as this will scratch the non-stick surface.
- For best results when baking, lightly grease before each use.
- Do not use non-stick sprays.

10 YEAR GUARANTEE Your bakeware is guaranteed by Prestige to be free from defects in materials and workmanship for ten years under normal household use. This guarantee does not affect your statutory rights. Should you have a problem under the guarantee, please return the item to the retailer from where it was purchased, along with proof of purchase. If this is not possible, please contact us at [www.prestige.co.uk](http://www.prestige.co.uk)
