

DOSAGE INSTRUCTIONS

We suggest you begin with $\frac{1}{4}$ to $\frac{1}{2}$ tsp per day and build up to 1 tsp per day to maintain your health.

(1 teaspoon = 4 ml; $\frac{1}{4}$ oz = 8 ml; 1 tablespoon = 14.87 ml)

WHAT IS C60? AND WHY SHOULD YOU CHOOSE C60 PURPLE POWER?

C60 is a super antioxidant that helps to reduce inflammation in the body by neutralizing oxidative radicals. C60 works at the cellular level by lifting the oxidative burden, allowing the mitochondria and other cellular processes to function normally. C60 may help to maximize the efficiency of cells in the production of energy, hormones and cellular metabolism.*

C60 Purple Power is made in the USA with the maximum concentration of 99.99% pure sublimated C60, never exposed to solvents, and with 100% certified organic oils. We test each batch for purity, quality and concentration and produce C60 Purple Power in an FDA compliant, GMP certified facility.

DETOX SYMPTOMS: C60 Purple Power works best in conjunction with proper nutrition, rest, hydration, and exercise. We recommend increasing your water intake while taking C60 Purple Power. Some users experience initial detox symptoms when using this product. You may lessen your detox symptoms by starting with a small dose and increasing your dose over time.

DRUG INTERACTIONS: Please consult your physician or a qualified medical practitioner before using this product. Do not use this product if you are on blood thinners, are pregnant, or, if you are nursing. Do not take this product if you are allergic to coconut oil, avocado oil, or olive oil.

C60 Purple Power is best taken daily, in the morning, with food. You can try taking smaller doses throughout the day, but it is not recommended to you take it after 2pm, as it may have a stimulating affect. It is not necessary to take food with this product. For those with sensitive stomachs, taking C60 with lemon juice or other citrus drinks, may help aid with digestion. We recommend C60 in Organic Avocado oil if you have a sensitive digestive system.

We encourage you to listen to your body. If you weigh less than 150 lbs, you may want to start with a smaller dose. If you weigh more than 150 lbs, you may want, or need to, try more to start. As with anything new introduced into your diet, start with a small amount, and then gradually work up to the recommended dosage over a period of days or weeks. If you have any negative or adverse reactions, stop using the product and consult your healthcare provider.

STORAGE: Store at room temperature. Your kitchen cabinet is an ideal home for this product. Do not refrigerate C60 Purple Power. C60 Purple Power Organic Avocado will congeal if you refrigerate it.

NOTE: Elderly users, or those facing significant health challenges, or individuals who participate in high intensity athletic endeavors, may take up to 1 Tablespoon per day.
