POWER ON/OFF ( Press and hold for 3-4 seconds )

Play/Pause Music ( Single click )    Answer/End Phone Call (Single click )

ON/OFF button to contact the recent dialed number (Triple-click)

## CLEANING & MAINTENANCE INSTRUCTIONS

### 1. Disassembly

Gently remove the central Bluetooth module and two speakers from their compartments. Note: Electronic components are not waterproof—remove bluetooth module before washing.

### 2. Washing

Hand wash only the fabric mask in cold water (max 30°C / 86°F)

Use mild detergent (no bleach or harsh chemicals).

Complete washing within 10 minutes to avoid fabric damage.

### 3. Drying

Lay flat in a well-ventilated, shaded area.

Allow to dry completely for at least 24 hours before reuse.

Important: Ensure no moisture remains before reassembling electronics.

## OPTIMAL WEARING GUIDE

1. Hold speakers at both sides
2. Place mask over eyes
3. Adjust headband behind head
4. Align circular pads with ear centers

## FAQ

### Q1: Battery won't charge

A1: Try a different charging cable. Ensure using 5V/1A charger.

### Q2: Speaker issues (one/both not working)

A2: Check for water damage (never wash electronics). Ensure proper connection. If defective, we'll replace it

### Q3: Short battery life

A3: Normal after 3+ months of use. Battery lifespan: ~300 charge cycles

### Q4: Bluetooth connection failed

A4: Disconnect all paired devices, Reset connection: Turn off phone Bluetooth, Long-press mask button, Reconnect to "V03", Still failing? Contact support

Note: If still not working. Contact us for replacement.
