You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. ## **How the Return Process Works**

Ship the product in question to Micron CPG in its original packaging and enveloped in the original antistatic bags (product to be shipped at your expense). Micron CPG will not be responsible for damaged parts if you don't follow this process. Please retain shipping information, including tracking numbers, until your account has been credited by Micron CPG or replacement product is received. If Micron CPG determines that failure of the product was not a result of a defect in materials or workmanship, Micron CPG reserves the right to charge you either (1) for parts and labor at Micron CPG's then-current labor rate or (2) a 20% restocking fee. Micron CPG will advise you prior to assessing these charges. Any product returned to Micron CPG shall become the property of Micron CPG. All returns are subject to Micron CPG's standard RMA Terms and Conditions which can be found online at [www.crucial.com/support](http://www.crucial.com/support). Returned products must be shipped prepaid and packaged appropriately (at your expense), and it is recommended that they be insured or sent by a method that provides for tracking of the package. Micron CPG is not responsible for any product that is lost or damaged in transit.
