

Session[®] Muck

15 oz

Muckguard[™]

Protects Surge[™] Valve from whatever the trail dishes up. Designed for mountain bikers, gravel grinders and all weather roadies. Opens and closes with one hand - seals valve when closed.

Optimized Cage Fit

New 15 oz volume fits any frame size and/or full suspension bike with limited real estate for bottles. A perfect fit for side loading cages.

Lightweight

Sleek, single wall design that is light, durable and compact. Bottle shape and ultralight construction makes it easy to squeeze.

Capacity: 440 ml / 15 oz
Weight: 79 g / 2.8 oz
Dimension: 152 mm x 74 mm
6 in x 2.9 in
