5. LED Indicator
6. Micro USB Charge Input
7. Aux Input
8. **▶▶** / **V+** Next Track / Volume Up Button
9. **Power** Power Button
10. **▶▶** Play / Pause and FM Auto Scan

CHARGING

- Please fully charge the Volkano Mamba Series Bluetooth Speaker before using it for the first time.
- Connect the USB A end of the charging cable to a USB charging port and insert the micro USB end to the port on the speaker. Make sure it is properly connected.
- The red indicator light will be lit while the speaker is charging. When the battery is full, the red indicator light will switch off automatically.
- Please do not charge the speaker for more than 8 hours.

PAIRING WITH BLUETOOTH DEVICES

Your speaker must be paired to a Bluetooth device before it can be used. It is only necessary to pair your speaker once with each device.

1. Press and hold the  Power Button for about 3 seconds until the blue LED light turns on and starts flashing.
2. Cycle to Bluetooth mode by pressing the  M Mode Button, the speaker will beep twice, this means that the speaker is ready to pair with your Bluetooth playback device.

Pairing a second Mamba Speaker / Daisy Chaining:

3. The Volkano Mamba Speakers needs to pair to each other before connecting to your Bluetooth device.
4. Once the speakers are in Bluetooth Mode press and hold the  Play / Pause and FM Auto Scan Button for 3 seconds on one of your speakers, this will pair your two speakers together, a connection tone will be audible once both speakers are paired. It is only necessary to pair your speakers with each other once.
5. Activate the Bluetooth on your playback device and search for “Mamba”. Select “Mamba” from the device’s list to connect. You will hear a connection tone after the speaker has been paired successfully and the Bluetooth LED will start flashing slower.
6. You can now playback audio through the speaker.
7. Music tracks can be selected either on the speaker or on your playback device (smartphone, computer, tablet etc.). Press the  /  Next Track / Volume Up Button to skip to the next song. Press the  /  Previous Track / Volume Down Button to play the previous song.
8. Volume can be controlled either on the speaker or on your playback device (smartphone, computer, tablet etc.). Press and hold the  /  Next Track / Volume Up Button or the  /  Previous Track / Volume Down Button on the speaker to adjust the volume as preferred.
9. Press the  Button on the speaker to play or stop music.

Note: In Bluetooth Mode, inserting a USB flash disk will disconnect the Bluetooth and switch to playing from the USB flash disk. Press the **M** Mode Button to switch back to Bluetooth mode.

Aux-In

1. Press **M** Mode Button to cycle the speaker to Aux mode.
2. Plug the provided audio cable into the compatible device's Aux input and then into the Aux input of the speaker.

FM Radio Mode

1. Use the provided audio cable as an antenna to receive a good FM radio signal.
2. Once the device has been turned on, press the **M** Mode Button to cycle to FM radio mode.
3. Press the **▶||** Play / Pause and FM Auto Scan Button to search for all available FM channels and store them automatically.
4. To navigate between radio stations, press the **▶▶ / V+** Next Track / Volume Up Button or the **V- / ◀◀** Previous Track / Volume Down Button to select radio stations.

Note: Inserting the audio cable while the speaker is in FM mode, will cause the speaker to automatically switch to Aux mode. Pressing the **M** Mode Button again will cycle back to FM mode.

LOCATING THE BLUETOOTH MENU

iPhone, iPad, and iPod Touch:

- a) On your device, go to Settings.
- b) Select Bluetooth. If Bluetooth is not on, turn it on.
- c) The iPhone / iPad / iPod will automatically search for new devices.

Android Phones and Tablets:

- a) On your device, go to the Settings Menu.
- b) Select Bluetooth (on older Android devices Bluetooth is found in the Wireless and Networks Menu). If Bluetooth is not on, turn it on.
- c) Select "Search for Devices" if your phone or tablet does not automatically search for new devices.

NOTE: If you are unsure on how to access your Bluetooth Menu on your device, please refer to your device's instruction manual.

Troubleshooting

1. My smartphone cannot find any new Bluetooth devices?

- a. Ensure the device has entered the pairing mode.
- b. Ensure the device is within an effective working range.

2. Bluetooth device cannot pair up?

Ensure your mobile phone allows new connections and has not reached the maximum number of allowed devices.

- 3. The device does not play music when it is connected to a Bluetooth mobile phone.**
 - a. Ensure your mobile phone supports A2DP profiles.
 - b. Ensure your mobile phone is within an effective working range.

- 4. When paired with my computer, Windows asks for a new driver.**

Can you supply this?

We recommend you find compatible drivers for your computer online.

- 5. Why can I not remotely control the Pause / Play / Previous / Next functions when music is playing?**

This feature needs the Bluetooth device paired with the speaker to support AVRCP (Audio / Video Remote Control Profile). Please ensure your device supports this.

Safety Precaution

- To reduce the risk of fire or electric shock, do not expose this equipment to rain or moisture.
- To reduce the risk of fire or electric shock, keep this equipment away from all liquids. Use and store only in locations which are not exposed to the risk of dripping or splashing liquids, and do not place any liquid containers on top of the equipment.

This product is not intended for commercial use and has been tested for household use only.

- This product is not intended for use by small children, or persons with diminished mental capabilities. Ensure that use of this product is monitored by a guardian or parent.
- **CAUTION:** Do not remove the panel covers by unscrewing them. To reduce the risk of electric shock, do not the remove cover. No user-serviceable parts inside. Refer servicing to qualified service personnel.
- **DO NOT** use any accessories, plugs or power supplies not recommended by this document, or of a lesser Amperage or Voltage.
- **CAUTION:** To reduce the risk of fire or electric shock and annoying interference, use the recommended accessories only.
- **CAUTION:** In order to maintain adequate ventilation, do not install or place this unit in a bookcase, built in cabinet or any other confined space. To prevent risk of electric shock or fire hazard due to overheating, ensure that curtains and any other materials do not obstruct the ventilation.
- **CAUTION:** Do not lift, move or otherwise transport the device by pulling on the cables. Always lift your device by the Carry Strap and with a firm grip.

- **WARNING:** Always keep optional accessories, small parts and packaging out of the reach of babies and small children, as these items may be a choking hazard.
- **Servicing:** Do not attempt to service this unit yourself as opening or removing the covers may expose you to dangerous voltage or other hazards. Refer all servicing to qualified service personnel.
- **DO NOT** overcharge your Volkano Mamba Series Speaker, doing so will shorten the lifespan of the built-in battery and could cause your device to overheat.
- **CAUTION:** Do not disassemble the battery or dispose of it in fire.
- **CAUTION:** Should your battery show signs of overheating, smoke or fumes being emitted during charging, remove the charging cable immediately. Prevent battery leakage from contacting your eyes, skin or clothing. Should this happen, flush the area with clean water and see a doctor immediately.

Cleaning & Caring Instruction - General

- **Before Cleaning:** Ensure that your Volkano Mamba Series Speaker is turned off and not plugged into any Wall Charger / USB Charging Cable before cleaning or maintaining your device.
- **Cleaning:** Wipe down the surface of your Volkano Mamba Series Speaker using a soft, slightly damp cloth.
- Do not use any harsh or abrasive cleaning chemicals or materials on your Volkano Mamba Series Speaker as doing so may damage or scratch the surface finish.
- Do not expose Volkano Mamba Series Speaker to direct sunlight or high temperatures for extended periods of time.
- Do not store in temperatures over 60°C. Do not expose the battery to excessive heat such as sunshine, fire or the like. Store in a cool, dry place.
- **DO NOT** submerge or expose your Mamba Series Speaker or any parts, including the cables, power supply or inner workings in or to water.
- **DO NOT** drag your Volkano Mamba Series Speaker across the floor. Doing so may damage the base of the unit or the surface you are pulling your device across.

ENVIRONMENTALLY FRIENDLY DISPOSAL

IMPORTANT INFORMATION FOR CORRECT DISPOSAL OF THE PRODUCT IN ACCORDANCE WITH THE EUROPEAN DIRECTIVE ON WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT.

- At the end of its working life, the product must not be disposed of as urban waste. It must be taken to a special local authority differentiated waste collection center or to a dealer providing this service. Disposing of a household appliance separately avoids possible negative consequences for the environment and health deriving from

inappropriate disposal and enables the constituent materials to be recovered to obtain significant savings in energy and resources. As a reminder of the need to dispose of household appliances separately, the product is marked with a crossed-out wheeled dustbin.

- * Never dispose of used electronics with ordinary solid wastes, since they contain toxic substances.
- * Always dispose of used electronics in accordance with the prevailing community regulations that apply to the disposal of electronics. If there are no local regulations concerning electronics disposal, please dispose of the device in a waste bin for electronic devices.

WARNING

Lithium-Ion Batteries and/or products that contain Lithium-Ion Batteries can expose you to chemicals including cobalt lithium nickel oxide, and nickel, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warning.ca.gov.

Warranty

This Volkano Mamba Series Bluetooth Speaker comes with a standard 12-month limited warranty against manufacturing defects and faults. Should your Volkano Mamba Series be unboxed with any faulty parts, poor finishing or visible damage, or fail to perform due to a manufacturing defect or poor workmanship, please return it with your proof of purchase (till slip or invoice) to the store of purchase for an exchange, or repair, depending on the store's returns policy.

This warranty commences from the date of purchase.

Kindly retain your proof of purchase as well as the packaging for your warranty period.

Note: The Warranty does not apply to Product that:

1. Has failed due to excessive wear and tear beyond what is considered to be reasonable.
2. Has been misused or neglected.
3. Has been damaged accidentally or by acts of God including fire and flooding.
4. Has been used or operated contrary to operating or maintenance instructions outlined in this manual.

The Store of Purchase / Seller cannot accept any returned products that have not been returned in accordance with this warranty or which does not follow their own Returns Policy. Please refer to the Store of Purchase / Sellers Returns Policy for details.

Should you require any further assistance or have any questions on your warranty, please call our Customer Care Number on: 011 608 3633.
