DISHWASHER CLEANER TABLET INSTRUCTIONS

1

ENSURE THE DISHWASHER IS EMPTY.

2

ADD 1 TABLETS IN THE DETERGENT DISPENSER TRAY.

Remove the tablet from the wrapper before using.

3

RUN THE DISHWASHER ON A "NORMAL" WASH CYCLE.

4

AFTER THE CLEANING CYCLE IS COMPLETE, OPEN THE DISHWASHER DOOR AND LET IT AIR-DRY.

Tips

For washers that were not clean for a while, use 2 tablets on the 1st and 2nd use.

For washers with heavy residue buildup, it may be helpful to prewet and lightly scrub visible residue before cleaning.
