## Minimum System Requirements

### Operating System

- Microsoft Windows 10, 8/8.1, 7 (64 bit OS recommended)

### Processor (CPU)

- Intel Core™ i-series or AMD Phenom® II and above

### Graphics Processor (GPU)

- **Standard Video:** 128 MB VGA VRAM or higher
- **360-video:** DirectX 11 compatible
- **AI Plugin:** 2GB VGA VRAM or higher. [Please see our FAQ](#) for a detailed list of supported graphics cards.

### Memory

- 2GB required (6GB or above recommended)

### Hard Disk Space

- 7GB for product installation

### Burning Device

- Burning drive is required for disc burning purpose

### Sound Card

- Windows compatible sound card is required

### Internet Connection

- Internet connection also required for initial software & file formats activation.

### Screen Resolution

- 1024 x 768, 16-bit color or above

### Language Support

- English

- French
- German
- Italian
- Spanish (European)
- Chinese Simplified
- Chinese Traditional
- Japanese
- Korean
- Dutch

## Format and Device Support
