

6 Year Limited Mattress Warranty Information - Please read carefully:

This quality foam mattress carries a warranty from the date of the original retail sale as validated by proof of purchase. Warranty coverage will be determined from this date.

The following manufactured components carry warranty, as noted, against defects in the material and workmanship that impair the serviceability to the product other than normal wear and tear, under the terms of application. This mattress limited warranty applies only to normal residential use. It does cover any deterioration in the cell-structure of the foam that causes the mattress to have a visible indentation greater than one and one half (1.5) of an inch, not associated with a sag in the foundation, box springs, or platform. The manufacturer's liability is limited to this expressed warranty. No other warranty is expressed or implied, nor does this warranty cover so-called incidental or consequential damages. This warranty shall be void when any unauthorized components are used in conjunction with this mattress product.

The manufacturer will repair or replace defective components based on percentages of manufacturer's suggested retail price at the time of the defect. Repair or replacement of a component does not extend the limited warranty or begin a new limited warranty period. We are not responsible to furnish a mattress for use or rent while our product is being returned to the factory for repair or replacement. Freight costs are the responsibility of the purchaser. The warranty coverage begins from the date of purchase.

Leveling or Flattening: Normal leveling or flattening out of materials, which occur on all upholstered products, are not covered under this warranty. Mattresses which are soiled are not returnable. The manufacturer assumes no responsibility in connection with the cleaning and laundering of the mattress.

Warranty - Six Years (Pro-rated): 100% Trade-in Credit for year 1. Years 2 thru 6 are pro-rated; starting at 50% in the 2nd year; then decreasing by 10% each year for the remainder of the 6 year warranty.

General Provisions

Proof of Purchase: All mattresses carry a warranty from the date of the original retail sale as validated by proof of purchase. Warranty coverage will be determined from this date.

Proof of Valid Defect: All undeniable defects that are not customer abuse or are not accidental damage must be found by the original purchaser and submitted for its coverage.

Repair or Replacement: The manufacturer reserves as its legal right, the option to repair or replace parts covered under this warranty according to their discretion; to make substitutions as required of materials and components of comparable value and utility as the original part. It reserves the right to refuse service when the cover is found, on inspection, to be unsanitary or soiled condition.

Honoring of Warranty: This warranty will only be honored by direct approval of the manufacturer when all provisions of proof of application and availability of part for evaluation have been met.

Disclaimer: The manufacturer disclaims liability for any aspect of installation, and any inconvenience caused by a defective part of a component needing to be replaced or repaired; nor will the manufacturer accept liability for any component malfunction. Since the customer controls the end use and maintenance of the product, the manufacturer disclaims all liability for any damages caused by the use or misuse of this mattress.

Other Provisions

1. This warranty shall be void unless the mattress is used in accordance with the enclosed instructions.
2. This warranty does not apply to tears, punctures or damages caused by improper use, negligence, excessive strain, accidents, acts of nature or failures caused by extreme temperature.
