Q&A:

Q: Can I use 2 of this adapter side by side on a MacBook Pro?

A: No. You're not able to do so due to the width of the connector. We have another product that supports side by side use and the same function. Please check:

<https://www.amazon.co.uk/dp/B07XYTHCXV>

Q: What is the maximum charging protocol this supports?

A: Max voltage 5V and current 2.4A

Q: Does this work with the Apple iPad 2020 Air?

A: Yes. The Mini Adapter is compatible with the 2020 iPad Air.

Q: what is the current rating of this adapter?

A: The Max voltage is 5V and the current 2.4A

Q: Can I use this to transfer photos from iPhone 11 to USB?

A: Yes, you can use this to transfer photos from an iPhone 11 but you will need a USB A to Lightning connector.

Q: Does it work for a Samsung Galaxy S8?

A: Yes. It is compatible with the Samsung Galaxy S8.
